Spices, Seasonings, Coatings

Horizon Bradco is a distributor for some of the finest spice, seasoning, breader and coating manufacturers available to the retail and foodservice industry. Below is a listing of some our major partners.

Newly Weds® Foods

In the food processing and foodservice industries, Newly Weds® Foods is recognized as the premier global purveyor of customized breaders, batters, seasonings and functional ingredients. Whether you are developing products for retail or foodservice success, you will find their integrated resources are one of a kind. Choose from an extensive list of over 350 breaders, batters, seasonings and ingredients or have Newly Weds® Foods create a specialty, custom blend just for your business.

A.C. Legg

A.C. Legg looks at developing seasonings as both a science and an art, and with almost a century in business, they have perfected the process. Their signature, Old Plantation Seasonings line is rooted in the original Southern Style Sausage Seasoning, conceived by Mr. A.C. Legg in 1923, and has grown to now include many additional foundational spices and seasoning blends that have stood the test of time.

So, whether you are looking for sausage seasonings, jerky seasonings, snack sticks, marinades, rubs, bottles of seasonings or blends for retail and food service, A.C. Legg is confident that you will find just what you are looking for.

Silva International

For more than 35 years, Silva International, Inc. has been providing dehydrated vegetable, herb and select fruit ingredients, to the food industry. Over their long and successful history, they have stayed focused on what they do best: producing ingredients using the highest possible standards. With more than three decades of experience, they take pride in their reputation as a leader in the marketplace.
